Wireless—We Need a New Generation to Connect the Internet of (Every)Things 2018 State of the Net Conference Panel Presentation

Monday, January 29, 2018

2:30 pm – 3:20 pm

The Newseum

555 Pennsylvania Ave NW, Washington, DC 20001

Commissioner Karen Charles Peterson will participate in a panel presentation entitled, Wireless—We Need a New Generation to Connect the Internet of (Every)Things. Panelists will be discussing 5G Internet and its impacts on the internet of things during a new era of connectivity. Additional panelists include:

Peter Rysavy, President, Rysavy Research

Crystal Tully, Policy Director & Counsel for Communications and Technology, Senate
Commerce Committee

The panel will take place during the State of the Net Conference, which is America's premier Internet policy conference series. It brings together Internet stakeholders in government and in the private sector to explore the potential of a decentralized global Internet to promote communications, commerce and democracy.
